

## Dyflex® Ultra

DFU

Seamless knitted glove with Dyneema Diamond Technology and polyurethane palm coating

### Sectors:

- Automotive • Construction & Utility
- Engineering and Manufacturing • Oil and Gas • Warehousing, Transport and Logistics
- Waste Management and Local authority

### Packing

- 1 pair per polybag
- 12 pairs per master polybag
- 48 pairs per case

### Features

**Cut Resistant:** The liner, made with Dyneema® Diamond Technology, provides an excellent level of cut resistance without the use of abrasive materials

**Grip:** Polyurethane palm coating provides outstanding abrasion resistance and an excellent grip

**Comfort:** The seamless construction of the soft yarn provides an exceptional level of comfort, whilst the open back style allows for excellent breathability

**Dexterity:** Designed to be close fitting to give maximum dexterity for the most tactile of operations

**Knit Wrist:** Elasticated knitted wrist provides a secure fit and keeps hands free from dust and debris

**Sanitized™** glove featuring an antimicrobial treatment that provides added protection against harmful bacteria and fungi. The additive protects the gloves from microbial growth, odours and provides long lasting material protection
