#### Product information

This stylish full grain leather ankle boot, provides supreme comfort, with a padded collar and tongue, plus a premium EVA footbed, It also includes a non-metallic composite toe cap and midsole. It is constructed with an innovative wire lace system, for fast, one handed adjustment and quick release. This boot also features a heat resistant outsole with excellent slip resistance. The engineered tread pattern aids agility on uneven terrain whilst also being resistant to fuel oil and water.

#### Wire Lace System

The innovative wire lace system is designed with double strength wire for excellent durability. Features include a raised texture on dial for better fastening grip, rubberised dial chassis for better abrasion and a quick release push/pull locking clasp. Engineered central cavities aids wire tension across the vamp of the shoe and is specially positioned on the shoe to ensure a levelled, all-over, comfortable fit.
