Product information

This full body harness, with a breathable contoured backpad, provides ultimate comfort and safety when working at height. Featuring an extended D-Ring shoulder strap arrangement for easy dorsal fittings and two side D-rings.

Harnesses

Portwest harnesses are required to ensure protection when working at height. Our range of harnesses offer different connection points that can be used in a variety of job functions such as fall arrest, work positioning, suspension and rescue.

Height Safety

Height Safety is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of Height Safety products for working at height.
