

### FP49 - Helmet Lanyard

**Collection:** Fall Protection Accessories

**Range:** Fall Protection

**Materials:** Polyester Webbing, Plastic

**Inner Pack:** 24

**Outer Carton:** 240

### Product information

Introducing the ultimate in helmet safety, the helmet lanyard is essential when working at height. One end of the lanyard attaches to the helmet and the other end attaches to the users clothing, preventing the helmet from falling and causing injury.

### Fall Protection Accessories

Assort range of fall protection equipment to be used with our other fall protection equipment

### Fall Protection

Fall Protection is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of fall protection products for working at height.
