Range: Height Safety

Materials: Nylon Webbing, Alloy Steel, Heat Treated

Outer Carton: 6

Product information

This full body harness features rear dorsal and front D-Rings with side D-Rings. Quick release buckles for easy fitting & 4 adjustment points. Rip indicators are installed to ease with inspections.

Harnesses

Portwest harnesses are required to ensure protection when working at height. Our range of harnesses offer different connection points that can be used in a variety of job functions such as fall arrest, work positioning, suspension and rescue.

Height Safety

Height Safety is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of Height Safety products for working at height.
