---

#### Product information

The straps are designed to be used after a fall has occurred to stop the harness from damaging your circulation when you are suspended in it.

#### Fall Protection Accessories

Assort range of fall protection equipment to be used with our other fall protection equipment

#### Height Safety

Height Safety is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of Height Safety products for working at height.

---

#### Features
