

Grip It® Oil Therm

GIOTH

Seamless knitted glove with a dual nitrile coating and fleecy liner

Sectors:

• Construction & Utility • Engineering and Manufacturing • Food Manufacturing and Preparation • Warehousing, Transport and Logistics

Packing

10 pairs per polybag
60 pairs per case

SilverClear®

Features

Handling: Utilises two layers of nitrile coating to provide ultimate abrasion protection and gripping ability. The first layer which is a full coating is soft and resilient allowing for excellent dexterity. The second layer which is a palm coating, is infused with microfoam bubbles increasing resistance to oils and maximising grip

Durable: Delivers excellent abrasion protection, durability and a long life expectancy

Fleecy Liner: Provides exceptional warmth and comfort

Hi-Vis: High visibility colour improves visual awareness even in subdued light

Food Contact: Tested in accordance with European standard EN1186 making it suitable for food contact

SilverClear® glove formulated from silver, a powerful and proven antimicrobial agent that inhibits bacterial, fungal and viral growth. The additive will protect the gloves from microbial growth but also from mold and bad odours avoiding premature material degradation and discoloration.
