CE  **4X33F**

FEATURES:

For serious gardeners, hobbyists and professional landscapers, ThornArmor™ gives workers the ability to pick up and move cactus and thorny bushes by hand without having to worry about harmful pokes. Three layers of SuperFabric®* brand material are built into ThornArmor™ gloves, creating a highly puncture-resistant palm lining that acts as a barrier between your hands and sharp thorns and needles.

HexArmor® products are cut and puncture resistant, NOT CUT AND PUNCTURE PROOF. Do not use with moving or serrated blades or tools. User shall be exclusively responsible to assess the suitability of the product as specified for any individual application or use. Protection zones are to be used as a general guide. Actual product protection zones may differ. Product features, design, protection zones subject to change.
