

Polyflex® Hydro C5

PHYK

Hydrophobic treated seamless knitted cut resistant liner with a foamed nitrile palm coating and touch sensitive fingertips

Sectors:

• Automotive • Construction & Utility • Engineering and Manufacturing • Oil and Gas • Waste Management and Local authority

Packing

1 pair per polybag
10 pairs per master polybag
60 pairs per case

SilverClear®

Features

Water Repellent: The Hydrophobic solution allows for a robust 3-Dimensional water resistant performance whilst maintaining maximum breathability

Protection: Lightweight liner achieves excellent levels of cut, abrasion and tear resistance providing superb mechanical protection

Grip: The nitrile palm coating is infused with air bubbles to provide an inherent cushioning effect and an enhanced grip in dry, damp and oily conditions

Touch Sensitive: Tactile touch sensitive fingertips enable the wearer to use touch screen machinery or touch screen devices with precision and without the need to remove the glove

Durable: Highly resistant to tear and abrasion, making for a durable and long-lasting glove

SilverClear® glove formulated from silver, a powerful and proven antimicrobial agent that inhibits bacterial, fungal and viral growth. The additive will protect the gloves from microbial growth but also from mold and bad odours avoiding premature material degradation and discoloration.

Code	PHYK
Colour	Green/Black
Sizes	6-11
