Product Details

Colour: Black

Size Range: UK 6 - 13

Height: 5 inches

PRODUCT DESCRIPTION

Style AND Performance. The RF390 Kyonite safety boot prioritises both protection and comfort for demanding work environments. The lightweight and sleek looking aluminium toecap and an exclusively crafted para-aramid anti-perforation protective midsole developed by Activ-Step Footwear Components helps protect your feet, while the Activ-Tex waterproof membrane keeps your feet cool and dry in the most treacherous conditions. The ergonomic design of the collar, especially designed to reduce stress on the Achilles tendon, makes it ideal for drivers.
