Product information

This bib and brace has a non bulky lining, providing extra warmth and ease of movement in cooler environments. Several handy pockets make TX17 the practical choice.

Portwest Texo Cotton Rich

The Portwest Texo range of workwear, constructed from 60% Cotton, 40% Polyester, 245g is designed to give the ultimate in comfort & practicality. The soft handle cotton rich fabric is built to last and will look and feel great. The high cotton content ensures it washes well at sixty degrees whilst the polyester gives a ruggedness essential for daily use. The Portwest Texo fabric provides a UPF rating of 50 so will block 98% of the UV rays which fall on the garment. The colours offered are bright and perfect for corporate branding. Each garment has been carefully designed to include multi-pocket storage and clever, useful features.

Workwear

The Workwear Collections offer a range of designs and features suitable for many end uses. Only the best quality fabrics and construction techniques are used guaranteeing comfort and safety. Tested to withstand the rigours of everyday wear each garment has been carefully designed and manufactured to ensure optimum quality at the best price.
